

Rider Sponsorship Program

Dade City Motocross's 47th Annual Points Championship Series starts on Jan. 31st. This year we are offering two different sponsorship programs to help the riders with the expense of racing and the opportunity to advertise for their sponsors. Listed below are options for different levels of sponsorship. Riders sponsors will have the opportunity to place a 4x8 sign at the track for the 2026 season. Best of all, the sponsor will have the opportunity to get involved, have some fun and help support a racer's dream.
